VTS TALKS WITH WEEKEND AMERICA ABOUT TRAINING THE IRAQI ARMY

YORK, PA, DECEMBER 9, 2006: Rick McGovern from Victory Tactical Solutions will speak with Weekend America during their weekend addition on December 9, 2006.

Rick who headed military training for an Iraqi Army Company near Bayji, Iraq will discuss what it was like to train the Iraqi Army and describe some of the challenges he faced during his year with the Iraqi Army.

This program comes as the Iraq Study Group reports that U.S. policy in Iraq is "not working." One key suggestion the group gives to turn this around is that U.S. troops in Iraq shift from combat mode to training and advising.
